It is the responsibility of the permittee to obtain all required inspections. Failure to notify the Building Department that the work is ready for inspection may necessitate the removal of some construction materials, at the owner's expense, in order to perform such inspection. Both the Building Code and Lead City Ordinance require the following inspections:

FOUNDATION—When forms are in place, prior to any concrete placement

CONCRETE SLAB, GROUNDWORK—When reinforcement, piping and services are in place, prior to any concrete placement

FRAMING—After all framing, bracing, blocking, piping, wiring and ducting are in place, prior to covering

DRYWALL—After drywall is in place, prior to taping or covering of fasteners

FINAL—Work completed, prior to occupancy

SPECIAL— _____

The owner of this building and the undersigned agree to conform to all applicable laws of the City of Lead, South Dakota
